Experience in the workplace will allow you to integrate theory with

Internship/ Work Placement

practice and inform your further study and approach to learning. You can undertake an internship or work experience in Australia, in your home country, or in a completely new destination. You must register the internship via CareerHub to be reviewed by the Work Integrated Learning team (internships). Internships or work experience are offered through the following

options: > 6-month Internships

- > 9-month Internship
- > <u>12-week Work Experience</u>
